

3 FORMULAS THAT WILL REVOLUTIONIZE YOUR RECOVERY

THE RECOVERY SOLUTION TO QUICKLY ENHANCE MUSCLE GROWTH

Time and time again you've tried countless protein supplements – but you want more. Packed with powerful, fast-absorbing peptides and a fast-acting protein isolate, EPIQ™ ISOLATE is here to give you the musclebuilding results you want. EPIQ™ ISOLATE contains 20 grams of protein, 4.3 grams of BCAAs (branch chained amino acids), and 4 grams of glutamine to help you enhance muscle growth, increase recovery time and allow you to overpower your competition.

As an athlete, you don't have time to waste. Whether you are cross-training with boxing, sprints or strength training, EPIQ™ ISOLATE will enhance muscle size.

RAPID RECOVERY

With its advanced technology that includes cold-processed microfiltration, EPIQ™ ISOLATE gives you a pure protein source, so you can experience recovery to increase quality exercise productivity. With the powerful components of BCAAs and glutamine, EPIQ™ ISOLATE will allow you to regain your strength, thus maximizing your cross-training sessions and producing amazing results.

FAST DIGESTION FOR AMAZING RESULTS

Generated through the hydrolysis process, which is the breakdown of whey protein into smaller parts, EPIQ™ ISOLATE allows for faster digestion. This enables amino acids to get to your muscles quicker, producing increased muscle mass, so you can be at your best during training.

THE HIGH-ENDURANCE FORMULA FOR ELITE PERFORMANCE

As your cross-training sessions intensify, wouldn't it be exciting if you could build muscle, increase endurance and experience quality training performance? You can now be a high-level training performer with EPIQ™ AMINO. Our EPIQ™ AMINO supplement for cross-trainers provides quality endurance.

IMPROVE LEAN MUSCLE MASS

EPIQ™ AMINO contains powerful building blocks for muscle tissue, such as leucine, a branch amino acid that allows for repeated muscle gains, giving you the ability to perform high-intensity workouts. With its 2:1:1 ratio to enhance protein synthesis, you'll utilize more muscle and experience a more competitive spirit during your cross-training activities.

Unlike other amino products, EPIQ™ AMINO contains a potent package of BCAAs and silk amino acid, giving you a long-lasting training experience, so

THE ENERGY-ENHANCING FORMULA TO CONQUER FATIGUE

You've been showing signs of fatigue, and you aren't sure where to turn. Superior training performances can be hard to come by. You may have tried every possible energy supplement on the market today. In order to maximize your cross-training workouts, you need a performance-driven formula. EPIQ™ RUSH provides the solution for long-lasting endurance and allows you to reach peak performance with ease.

IMPROVE ATHLETIC PERFORMANCE

EPIQ™ RUSH is filled with citrulline nitrate, which increases nitric oxide within the body, so you can perform high levels of work output during daily training sessions. With its ability to boost arginine levels, citrulline nitrate will help you sustain high energy levels for superior athletic performance – whether on the field, at the gym or in the weight room.

and allowing for greater productivity. Caffeine anhydrous also improves mental alertness and gives you the ability to focus on the exercises at hand, allowing you to experience explosive physical performances.

EPIQ™ RUSH combines a heavy dose of nitrates to overpower fatigue during heavy bouts of cross-training. This powerful pre-workout formula enables you to train harder, faster and longer. To become a great athlete you have to take chances, and you owe it to yourself to give your body the fuel it deserves.

Stack all three powerful formulas from Epiq for even better recovery, bigger results and enhanced performance.
